In **SPARTA!** command Athenians or Spartans in a battle to rule the Greek world.

Sparta! covers the Greek wars in a quick-playing format with euro influences and punchy mechanics.

- Regional control using influence from envoys.
- Resource collection & spending (money, troops, favour).
- Armies and Navies deploy to control areas, raid & siege.
- Card Based events & combat.
- Leaders who can level-up and become more experienced.
- Troops can become veteran.
- Fast and fluid game play keeps the action moving.
- Four different scenarios covering all of the Greek wars.
- Solo Bot.

Win the Olympic games, invade Sicily and upset the Persians, all in a few hours in Sparta!
